DESCRIBE THE PRESENT AND ORIGINAL (IF KNOWN) PHYSICAL APPEARANCE

This stone farmhouse would appear to date from the second quarter of the 19th century. It is a two story three bay structure with a small frame and stone wing extending from its north end wall. Six over six pane sashes are present at major windows although window size at the first story level is large enough to have held nine over six sashes at one time. A frame barn with Victorian trim is also present.
